The undersigned land owners, whose lands will be liable to be affected by, or assessed for the expense of, the construction of the ditch hereinafter described, would respectfully represent that the public health, convenience and welfare require the establishment and construction of a ditch along the following describd route in the town of Ramsey in said county of Anoka; that the construction of the same would be of public benefit and utility, and is necessary for the following reasons, to-wit:

That a large amount of land is now overflowed and rendered untillable and usable, which lands would be drained and improved and made usable and of much greater value, by the construction of the proposed starting point, route and terminus of said ditch is as follows:

Commencing at the most feasible point in the northwest quarter.

(NW4) of section twenty-three (23) through said section twenty-three (23), thence running along, the following route by the most feasible route southerly and southeasterly through said section twenty-three (25), and terminating in said section thirty-two (32) and range twenty-three (25), and terminating in said section thirty-six (36), the newsylar (25), and terminating in said section thirty-six (36). In Runniver as its outlet, with the necessary and proper branch or branches.

And your petitioners pray that you will proceed to establish such ditch and branches and cause the same to be constructed as provided by chapter two hundred and thirty of the general laws of Minnesota for 1905
